Daniel Merriam Art of Dreams Wall Calendar: Daniel Merriam is a highly regarded contemporary surrealist. His curiosity, adventurous nature, and sense of humor invite viewers into a magical realm of dreams and intricate landscapes. "Lake House" and "Built on Dreams Alone" are my favorite images from this calendar. I love the creativity and architecture of dreams in Dan Merriam's art. On the calendar side of things I am pleased with the size of squares since i write things on my days. The only layout design i don't like is when dates are shared at the end of the month...its hard to write specific things for say the 24th and 31st of March. (I totally regret not having the 2013 one.)
