Wystan Hugh Auden (21 February 1907 – 29 September 1973) was an English-American poet. Auden's poetry was noted for its stylistic and technical achievement, its engagement with politics, morals, love, and religion, and its variety in tone, form and content. This significantly expanded edition of W. H. Auden's Selected Poems adds twenty poems to the hundred in the original edition, broadening its focus to better reflect the enormous wealth of form, rhetoric, tone, and content in Auden's work. [W.
