Australia is home to more species than any other developed country and sadly, has the worst mammal extinction rate in the world. A share of profits from this collection is donated to Australian Wildlife Conservancy and BirdLife Australia, your support helps protect Australia's native wildlife. The OzAnimals Australian wildlife site presents photos and information covering a wide range of animals from Australia including mammals, birds, reptiles, frogs, fish and spiders. ABK Publications are publishers of colourful aviary bird books and pet bird books. In addition, Australian BirdKeeper, established in 1987 features colourful information on various pet and aviary bird species including parrots, finches, canaries and softbills, pheasants and ducks, chickens and poultry, pigeons, dove and quail.
