Dear Twitpic Community - thank you for all the wonderful photos you have taken over the years. We have now placed Twitpic in an archived state. JSTOR is a digital library of academic journals, books, and primary sources. Large-scale White emigration to Rhodesia did not begin until after the Second World War, and at its peak in the late-1960s Rhodesia's white population consisted of as many as 270,000. There were influxes of White immigrants from the 1940s through to the early-1970s. *Black Jacks: African American Seamen in the Age of Sail* [W. Jeffrey Bolster] on Amazon.com. *FREE* shipping on qualifying offers. Few Americans, black or white, recognize the degree to which early African American history is a maritime history. W. Jeffrey Bolster shatters the myth that black seafaring in the age of sail was limited to the ...
