The problem of education in liberal democracies is to ensure the intergenerational continuity of their constitutive political ideals while remaining open to a diversity of conduct and belief that sometimes threatens those ideals. Any liberal democratic state must honour religious and cultural pluralism in its educational policies. To fail to honour them would betray ideals of freedom and toleration fundamental to liberal democracy. [(Creating Citizens : Political Education and Liberal Democracy)] [By (author) Eamonn Callan] published on (October, 1997) (Englisch) Gebundenes Buch – 30. In Creating Citizens, Eamonn Callan, one of the world's foremost philosophers of education, identifies both the principal ends of civic education and the rights that limit their political pursuit. This timely new study sheds light on some of our most divisive educational controversies, such as state sponsorship and regulation of denominational schooling, as well as the role of non-denominational schools in the moral and political development of children.
