Gilda Radner was one of the funniest comediennes of our time. She is listed up there with Lucille Ball and Carol Burnett. Though her life was tragically short, she left us some wonderful and brilliant skits from her time on SNL. Gilda Radner was one of the great comic geniuses of the 20th century, ranked up with Lucille Ball and other comedy legends of the highest caliber. Gilda Radner was my favorite Not Ready for Prime Time Player and this DVD of her Broadway event gathers some of her best characters in one place - it's a wonderful way to remember her. It's no easy task to find a fresh way to approach a familiar face like comedian Gilda Radner, but director Lisa D'Apollito does a wonderful job ushering us through the highs and lows of the ...
