

Download Gun Digest Guide To Modern Shotgunning

At one time, there were predictions that the autoloader would someday replace the pump gun. That obviously hasn't happened, and today, some 120 years after the first successful slide-action went on the market, the good old pump still plays a big role in the shotgun sports. Today's modern ammunition will make the G42 rock, so nobody should worry about those tales of anemic .380 ACP performances. Modern propellants and bullet designs makes this cartridge a rather formidable little number at gunfighting range, and nobody should discount it for defensive purposes. The long-range game has changed! It's been seven years since ballistics expert L.P. Brezny wrote the first edition of Gun Digest Book of Long-Range Shooting. The long-range game has changed!
