How to Cite a Chapter from a Book in Print The basic information you want to include is the name of the book, the editor, compiler, and or translator of the book, and the publication information. Also, be sure to cite the name of the section you are citing, its author or contributors, and the page numbers of the section. Use the following template to cite a chapter of an edited book using the MLA citation style. For help with other source types, like books, PDFs, or websites, check out our other guides. How to Cite a Textbook in MLA. Citing a textbook in MLA is no different than citing any other book in MLA. Textbooks are more likely to have peculiarities, however, such as editor names, multiple editions, and a lack of a dominant author.... Cite the textbook's title within your report's text by using a parenthetical citation. Immediately after the material that you need to cite, use an open parenthesis, the author's last name, a space, and then the page number or page numbers you are citing. For example: (Doe 20-28). This may appear anywhere within a sentence.
