

Download How To Use A Gift Card Online

Why Online Payments are Different. Electronic gift cards are easy to use online because you don't have to print out a paper copy of the gift card or enter the number into a mobile wallet or gift card app in order to take the gift card to the store. A Visa card from a retail outlet is activated at the cash register, and you'll receive the activation slip. Some Visa gifts cards purchased online need to be activated once you receive them in the mail.³ Click on 'Pay with a M&S gift card/e-gift card' ⁴. Add your gift card details and click 'apply' Information and exclusions. Gift cards can be used online and in all M&S stores in the UK, Eire and the Channel Islands. This includes Outlet, railway, motorway and airport stores. M&S gift cards cannot be used as payment for M&S products in BP Connect stores.
