Data structures and algorithms? They're standard Computer Science 101 topics, and ones you'll master in this course. You'll learn how common data structures organize information so it can be used efficiently, how algorithms work to manipulate this data, and more. Early life. Sunny Leone was born in Sarnia, Ontario to Sikh Punjabi parents. Her father was born in Tibet and raised in Delhi, while her mother (who died in 2008) was from Sirmaur, Himachal Pradesh. As a young girl, she was a self-described tomboy, very athletic and played street hockey with the boys. We'll deliver the best stories and ideas on the topics you care about most straight to your homepage, app, or inbox. Sometimes it's hard to believe how difficult it can be to write about yourself in a bio—after all, you're a writer! But I understand it's not as simple as that, so here are a few tips to make it easier.
