

# Download Raw Spirit In Search Of The Perfect Dram Iain Banks

Parting from his science fiction prose Banks gives an account of his travels through Scotland in search of the perfect dram. In the process you get to know quite a lot about the distillery-business, as well as Scottish geography and local history. The book is a unfortunately too long, almost more an autobiography than a whisky-dictionary. You have to appreciate the lightness of the storyline and being a car fanatic helps too. I've long been a fan of the late Iain Banks, and even met the man a couple of times, and his warm and pleasant personality shone through, as it does in the pages of Raw Spirit. In fact, this book which is likely the closest thing we will ever get to an autobiography. One of the first books bought for me as a present to a burgeoning Whiskyphile. Recommended to my Fiance by a colleague at work, who had heard that I was interested in whisky, who was also interested in whisky and found this book an enjoyable read. I was even more thankful to receive it as I am also. Start reading Raw Spirit: In Search of the Perfect Dram on your Kindle in under a minute. Don't have a Kindle?
