

Download Science Whispering Spirit

SCIENCE WHISPERING SPIRIT: Bizarre Paranormal Evidence A Presentation by Gary Preuss, Ph.D. Hosted by INACS (<http://inacs.org/membership/>) Tuesday, May 16, 2017, 6:30–9:00 p.m. Please RSVP so we can accommodate all attendees. The materialist paradigm of science did not allow for the possibility of psychic abilities and the survival of consciousness after death. But a new period of scientific enlightenment is emerging. The forces of cosmology and physics indicate that the existence of our universe is all but impossible, yet we perceive it around us. Enter your mobile number or email address below and we'll send you a link to download the free Kindle App. Then you can start reading Kindle books on your smartphone, tablet, or computer - no Kindle device required.
