Superman: Red Son is a three-issue prestige format comic book mini-series published by DC Comics that was released under their Elseworlds imprint in 2003. Wow, that's all I have to say. The thought of a Soviet Superman is WAY more interesting than I previously thought as this story shows what would happen if Superman was raised as a communist as opposed to being raised American. Superman is a fictional superhero created by writer Jerry Siegel and artist Joe Shuster. He first appeared in Action Comics #1, a comic book published on April 18, 1938. He appears regularly in American comic books published by DC Comics, and has been adapted to radio shows, newspaper strips, television shows, movies, and video games.
