The Suzuki SX4 is a compact car and crossover developed jointly by Japanese automaker Suzuki and Italian automaker Fiat, sold since 2006. It was available as a hatchback and sedan, with the former available in both front and four wheel drive. In fact, the SX4 was a big deal on several fronts. First, and perhaps most important, it was intended to consolidate the transformation of Suzuki's image in Europe wrought by the Swift ... The previous SX4, a five-door, Giugiaro-penned hatchback, predated the original Qashqai, already traded under the correct name and sported that oh-so familiar 4x4 look now seemingly craved by an ...
