In the tradition of Frances Hodgson Burnett's *The Little Princess* come Noel Streatfeild's classic *Shoes* books. In this story, three orphan girls vow to make a name for themselves and find their own special talents. *Ballet Shoes* was a commended runner up for the inaugural Carnegie Medal from the Library Association, recognising the year's best British children's book by a British subject. [2] [a] (The author would win the award later for another book. This book may be especially good for poor children, for children with stars in their eyes, or for children growing up without blood relatives. *Ballet Shoes* helped me build an unshakable optimism, and I recommend it unreservedly. *Ballet Shoes* is one of those books I wish I'd been able to read as a child. I would have loved to experience the lives of the Fossil girls through a child's eyes, and to have grown up with them.
