

Download The Sociology Of Work Introduction

A brief introduction on applied sociology. By Dr Zuleyka Zevallos, 23 May 2009. 1. Photo: Banksy. The aim of this article is to broadly sketch what it means to be working as an applied sociologist. Introduction to Sociology. Sociology does not claim to be a potentially all-inclusive and all-sufficing science of society which might absorb the more specialized social sciences. This New Science of Societies: Sociology. Sociology is a relatively new discipline in comparison to chemistry, math, biology, philosophy and other disciplines that trace back thousands of years. Sociology is the scientific study of society, patterns of social relationships, social interaction, and culture of everyday life. It is a social science that uses various methods of empirical investigation and critical analysis to develop a body of knowledge about social order, acceptance, and change or social evolution.
