Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading When Affirmative Action Was White: An Untold History of ...[Be sure to read the Comments and replies following the article where the analysis continues.] Since affirmative action programs consider race as a factor in decisions such as hiring and college admissions, I often hear from whites who consider it to be a racist practice. African American veterans benefited less than others from the G.I. Bill. The G.I. Bill aimed to help American World War II veterans adjust to civilian life by providing them with benefits including low-cost mortgages, low-interest loans and financial support.
